

Academic Curriculum Vitae

Personal Information:

Full Name: Mohammed Ali Ihsan Saber

Academic Title: Assistant professor

Email: mohammed.saber@su.edu.krd

Mobile:

Education:

- Ph.D. Structural Engineering University of Technology, 2013
- M.Sc. Structural engineering University of Technology, 1993
- B.Sc. Civil Engineering University of Technology, 1989

Employment:

- Lecturer, (Academic Staff) 2009 – 2023 University of Salahaddin – Erbil
- General Manager, Servers Department COR – Baghdad 2007 – 2009
- General Manager, Computer and Communication Department COR – Baghdad 2005 – 2007

Qualifications

- CCNA – Jordon – 2007
- MCP Windows XP – Jordon – 2007
- CCNP Routing – Jordon - 2008

Teaching experience:

- Engineering Mechanic Course
- Mechanic of Material Course
- Engineering Surveying Course
- Finite Element Applications Course
- Design optimization Course

Research and publications

- Effects of curing types on the strength of high Strength self-compacting concrete
- Prediction of Punching Shear Strength of Reinforced Concrete Flat Slab by ANSYS
- Shear Strength Prediction of High Performance Reinforced Concrete Deep Beams with Stirrups by ANSYS

Conferences and courses attended

Funding and academic awards

Professional memberships
