

ICES2023 Acceptance & Invitation Letter

Conference Paper Reference: 469

Title: Synthesis and characterization of Novel bisbenzamides and bisimidazolones with optical and biological studies

Author(s): Mohammed Samad, Farouq Hawaiz

Dear Dr. Mohammed Samad,

We are delighted to inform you that your abstract has been accepted as **Oral Communication** in the **International Conference and Exhibition for Science (ICES2023)**, which will be held virtually and in-person in **February 06-08, 2023** at *King Saud University, Riyadh, Saudi Arabia*.

If the authors wish to publish their paper in the conference proceedings, please submit your short proceedings paper before **November 15, 2022**.

Please note that your accepted short/extended abstract will not be scheduled in the final conference program or in the conference proceedings unless at least one of the authors completes registration and payment by **November 30, 2022**.

For more information, please visit our website (<https://ices-ksa.org>).

On behalf of the Scientific Committee, we would like to thank you for submitting your abstract to **ICES2023** and we look forward to seeing you at KSU, Riyadh, Saudi Arabia.

Best Regards,

 

Prof. Zeid A. ALOthman

Chairman | ICES2023 Organizing Committee

Dean | College of Science, King Saud University
