Dear Assist. Prof. Dr. Muhamad Abdullah Hamad

Greetings,

In view of your expertise, we will be grateful if you could find time to review the below manuscripts under the titles:

50A	Fabrication of n-CdO NPs/PS Heterojunction by laser ablation in ethanol.
50B	Preparation Of Coll Tion Of Colloidal Tin Sulfide N Al Tin Sulfide Nanoparticles B Ticles By Pulse Laser Ablation In Liquid (Plal).

We would be grateful if you could assess the above manuscript for academic promotion consideration within the next 14 days. Upon completion, please fill out and return the accompanying form.

Kind regards,

Prof. Dr. Goran Qader Othman
