

ICCMA 2019, TU Delft, Netherlands

## Invitation Letter

Name: **Mustafa M. Mustafa**  
Salahaddin University-Erbil,Iraq

To Whom It May Concern,

2019 The 7th International Conference on Control, Mechatronics and Automation will be held in **TU Delft, Netherlands on November 6-8, 2019.**

The conference will feature peer-reviewed presentations showcasing the latest technologies, applications and services, keynote talks from renowned academics, special session, and academic visit. The Conference Technical Program Committee is pleased to inform that the peer-reviewed & refereed conference paper "**Equilibrium Formulation of a 3-DOF Compliant Mechanism Using Sylvester's Dialytic Method of Elimination**" authored by **Mustafa M. Mustafa** has been accepted for presentation at the conference. Please note that ICCMA2019 conference requires participants register and pay all necessary fees and travel expenses. The conference does not provide any funding for the conference attendance.

Herewith, on behalf of the organizing committee, cordially invite **Mustafa M. Mustafa** to make the oral presentation at ICCMA 2019 in TU Delft, Netherlands. Should you need any clarification, please do not hesitate to contact us.

Sincerely Yours,  
Conference Secretary
