

Date: October 22, 2023

Manuscript No: 470851

**Dear Authors:**

Hardi Shukur Ahmed\*, Nadir Mustafa Qadir Nanakali, Khabat A. Ali

I am pleased to inform you that, your peer reviewed revised article entitled: “Evaluation of hematological parameters and inflammatory markers for disease severity in vaccinated and non-vaccinated Covid-19 patients in Erbil-city” is now accepted for publication in (Volume 13, Special Issue) of the Journal of Advanced Pharmacy Education & Research [JAPER].

Thank you for considering JAPER Journal for publication of your valuable work and all your cooperation with the review and publication process.

I look forward to publish your upcoming articles in JAPER and wish you great success in your career endeavor.

Please do not hesitate to contact us if you have any further questions.

Sincerely,

Dr. U. Nagaich

Editor
