

Salahaddin University-Hawler
College of Education
Department of Physics

This is to certify that

Nahlah Qader Mohammed

Has attended the 1st departmental seminar entitled:
“Microwave Integrated Circuits”
which was presented by Dr Rashad Hasan on 23rd Dec
2020. Erbil-Iraq

Asst. Prof. Dr Azeez Barzinjy
Chairman of the seminars committee

Dr Rashad Hasan
Head of the department

Salahaddin University-Erbil
College of Education
Department of Physics

Ministry of Higher
Education and
Scientific Research

This is to certify that

Nahlah Qader Mohammed

Has attended the 3rd departmental seminar entitled:
“Representing a particle in QM: from Dirac delta function
to Fourier transform and Uncertainty principle”
which was presented by Dr Amir Abdulrahman Ahmad on
12th Jan 2021. Erbil-Iraq

Asst. Prof. Dr Azeez Barzinjy
Chairman of the seminars committee

Dr Rashad Hasan
Head of the department

Salahaddin University-Erbil
College of Education
Department of Physics

Ministry of Higher
Education and
Scientific Research

This is to certify that

Dr.Nahlah Qader Mohammed

Has attended the 4th departmental seminar entitled:
“Carbon Quantum Dots as a New class of Fluorescent
Nanothermometer”
which was presented by Dr Khalid Mohammad Omer on
19th Jan 2021. Erbil-Iraq

Asst. Prof. Dr Azeez Barzinjy
Chairman of the seminars committee

Dr Rashad Hasan
Head of the department

Salahaddin University-Erbil
College of Education
Department of Physics

Ministry of Higher
Education and
Scientific Research

This is to certify that

Dr.Nahlah Qader Mohammed

Has attended the 5th departmental seminar entitled:
“High Performance Nanostructured Flexible
Photodetector Devices”
which was presented by Dr Emad Omer Badraddin on 26th
Jan 2021. Erbil-Iraq

Asst. Prof. Dr Azeez Barzinjy
Chairman of the seminars committee

Dr Rashad Hasan
Head of the department

Salahaddin University-Erbil
College of Education
Department of Physics

Ministry of Higher
Education and
Scientific Research

This is to certify that

Dr.Nahlah Qader Mohammed

Has attended the 6th departmental seminar entitled:
“Active Nitrogen Species Production by RF-Plasma and
their effect on the InGaN nanorods grown by PA-MBE”
which was presented by Dr Samir Mustafa Hamad on 2nd
Feb 2021. Erbil-Iraq

Asst. Prof. Dr Azeez Barzinjy
Chairman of the seminars committee

Dr Rashad Hasan
Head of the department

Salahaddin University-Erbil
College of Education
Department of Physics

Ministry of Higher
Education and
Scientific Research

This is to certify that

Dr.Nahlah Qader Mohammed

Has attended the 7th departmental seminar entitled:
“Improving the properties of diode/ heterostructure
devices based on organic thin film”
which was presented by Mr Othman Haji Razgay on 9th
Feb 2021. Erbil-Iraq

Asst. Prof. Dr Azeez Barzinjy
Chairman of the seminars committee

Dr Rashad Hasan
Head of the department

Salahaddin University-Erbil
College of Education
Department of Physics

Ministry of Higher
Education and
Scientific Research

This is to certify that

Dr.Nahlah Qader Mohammed

Has attended the 10th departmental seminar entitled:
“Viewing instructions in Teaching applications for 4th year
students 2020-2021” which was presented by Dr Waad
Mohammed Najat on 28th Feb 2021. Erbil-Iraq

Asst. Prof. Dr Azeez Barzinjy
Chairman of the seminars committee

Dr Rashad Hasan
Head of the department

Salahaddin University-Erbil
College of Education
Department of Physics

Ministry of Higher
Education and
Scientific Research

This is to certify that

Nahlah Qader Mohammed

Has attended the 12th departmental seminar entitled:
“Vertical cavity surface emitting lasers for
communication systems” which was presented by
Dr Faten Adel Ismael on 9th Mar 2021. Erbil-Iraq

Asst. Prof. Dr Azeez Barzinjy
Chairman of the seminars committee

Dr Rashad Hasan
Head of the department

Salahaddin University-Erbil
College of Education
Department of Physics

Ministry of Higher
Education and
Scientific Research

This is to certify that

Dr.Nahlah Qader Mohammed

Has attended the 13th departmental seminar entitled:
“Investigation of the effects of GaAs substrate
orientations on the electrical properties of sulfonated
polyaniline based heterostructures” which was presented
by Dr Dler Adel Jameel on 16th Mar 2021. Erbil-Iraq

Asst. Prof. Dr Azeez Barzinjy
Chairman of the seminars committee

Dr Rashad Hasan
Head of the department

Salahaddin University-Erbil
College of Education
Department of Physics

Ministry of Higher
Education and
Scientific Research

This is to certify that

Dr.Nahlah Qader Mohammed

Has attended the 13th departmental seminar entitled:
“Investigation of the effects of GaAs substrate
orientations on the electrical properties of sulfonated
polyaniline based heterostructures” which was presented
by Dr Dler Adel Jameel on 16th Mar 2021. Erbil-Iraq

Asst. Prof. Dr Azeez Barzinjy
Chairman of the seminars committee

Dr Rashad Hasan
Head of the department

Salahaddin University-Erbil
College of Education
Department of Physics

Ministry of Higher
Education and
Scientific Research

This is to certify that

Dr.Nahlah Qader Mohammed

Has attended the 15th departmental seminar entitled:
“Effect of microstructure on atmospheric pitting corrosion
of austenitic stainless steel” which was presented by Dr
Haval Bashar Mohammed Ali on 30th Mar 2021. Erbil-Iraq

Asst. Prof. Dr Azeez Barzinjy
Chairman of the seminars committee

Dr Rashad Hasan
Head of the department
