Manuscript No. 22/23

Dear Dr. Kadir

The Editorial Board of the Arab Journal of Plant Protection would like to send you its best wishes, and kindly ask you to evaluate the paper attached entitled "*The management of corn ground beetle, Zabrus tenebrioides by some aqueous plant extracts and fungal bio-agents*"

Please return your comments using the attached evaluation form before 1/4/2023

Many thanks for your collaboration.

Sincerely,

Khaled Makkouk
Editor in Chief
