Authors: Prof. Alias B. Khalaf, Dr. Ramadan Mahamed, Ms. Ghazala Rasheed

Dear Dr. Nehmat Ahmed

The manuscript that is listed above is under consideration by **Journal of Mathematics and Computer Science (JMCS)**. Because of your expertise related to the area of this paper, the editors of the JMCS would like to ask your assistance in determining whether it is appropriate for publication in the JMCS.

Journal of Mathematics and Computer Science is a new international research journal devoted to the publication of significant articles in all areas and sub-areas of functional analysis and their applications. Surveys will not be accepted. Submitted papers must be correct, original, nontrivial, and well written. All manuscripts are refereed under the same standards as those used by the finest-quality printed mathematical journals.

We would appreciate your response to this invitation within 24-48 hours. We would also very be grateful if you can review this paper and return the report within 2022-09-16. Please contact us via email should you be unable to meet this goal.

Sincerely,
Prof. Francisco Gallego Lupianez
