

Dear Nimat Shahab,

I'm writing behalf Waclaw Kuczma – curator of exhibition Kurdistan. Images of existence” in Bydgoszcz, Poland.

I received information from our graphic design office in Museum that they are missing your photo for the catalog. I tried to find it, but I was unsuccessful. Could you please send me your portrait photo? We would like to have pictures of all artists in the catalog. Is there any chance you could send a high-resolution file? It would help us a lot.

And I haven't your bio. Could you send short bio?

Thank you in advance for your help.

Adam Zdunek
