

Academic Curriculum Vitae

Personal Information:

Full Name: Nssar Abdulsalam Rauf

Academic Title: Assist. Lect.

Email: nssar.rauf@su.edi.edu

Mobile: +9647504072249

Education:

From- To	Degree	College-University	Country
2020 to date	PhD. student, Department of Physics	College of Science- University of Salahaddin	Iraq
2009-2012	M.Sc. in Solids; Nanoscience, Department of Physics	College of Science- University of Salahaddin	Iraq
2001-2004	B.Sc. Physics, Department of Physics	College of Science- University of Salahaddin	Iraq

Employment:

Assignment and posts:

From- To	Post	Department- College	Country
2014 to date	Assistant lecturer	Physics department- College of Science	Iraq

Teaching experience:

From- To	Subjects	stage- College	University
----------	----------	----------------	------------

2015-2016	General Physics (Theory and Lab.)	1 st stage Chemistry Dept.- College of Science	University of Salahaddin
2014 to date	Heat and Thermodynamic Lab.	2 nd stage Physics Dept.- College of Science	University of Salahaddin
2019-2020	Optics Lab.	3 rd stage Physics Dept.- College of Science	University of Salahaddin
2019-2020	Electricity Lab.	2 st stage Physics Dept.- College of Science	University of Salahaddin
2021-2022	Solids Lab.	4 th stage Physics Dept.- College of Science	University of Salahaddin
2022-2023	Electronics Lab.	3 rd stage Physics Dept.- College of Science	University of Salahaddin

Conferences and courses attended

- Attending in Webinar about (Oil and Gas Revenues and Issues between KRG and Iraqi Government) on Apr. 11,2023.
- Participated in the second section entitled (Cyber Security) in the first international forum on computing and information technology trends 28-29 August 2022.
- Attending the 6 th International Workshop on Nanotechnology which was held on December 22, 2022 in Erbil KRG-Iraq by Physics Education Department of the Tishk International University.
- Attending Webinar: How and Where Do Earthquakes Occur Webinar on Feb 21,2023.
- A workshop (Low technology threats awareness and necessity protection) on 16-17 March 2022.

Professional memberships

- From 2014 to date member in Kurdistan physics syndicate.
