## Reviewer confirmation

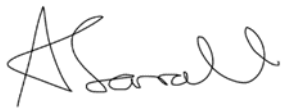

To whom it may concern,

We are pleased to confirm that Dr. Pakhshan Abdullah Hassan acted as a reviewer for the article "*In vitro and In vivo Synergistic Effect of Chrysin in combination with Colistin against Acinetobacter baumannii*", within the section Antimicrobials, Resistance and Chemotherapy in Frontiers in Microbiology.

Dr. Hassan was selected for this role by peers based on their expertise in the field and has played an important role in our collaborative peer review process.

Please feel free to contact the editorial office at [microbiology@frontiersin.org](mailto:microbiology@frontiersin.org) if you have any questions about the reviewer role.

Best regards,

**Anna Farrall**
