Dear Payam Sadq,

thank you for the time and effort you invested in your **Review of: "Effect of Yogurt on Fluoride Induced Toxicity in Rabbits"**, this is so much appreciated!

If you wish to add your review to your [Publons/WoS](#) profile, simply forward this email to [reviews@webofscience.com](mailto:reviews@webofscience.com).

We'd also love to invite you to post your next **paper** on Qeios as a preprint. Qeios papers get **15x more views & downloads**, and **18x more expert feedback** than preprints posted on other venues, greatly increasing the chances of acceptance for publication by your preferred journals.

[Accept invitation](#)

You can accept now and post your article whenever you're ready.

We're always here to help with anything. Simply reply to this email for any requests.

Best,

Qeios Team
