

Academic Curriculum Vitae

Personal Information:

Full Name: Pshtiwan Abdullah Jalil

Academic Title: Lecturer, Ph. D.

Email: (university email): Pshtiwan.jalil@su.edu.krd

Mobile:009647504823304

Marital status: Married

Work Address: Department of Plant Protection, College of Agricultural Engineering Sciences, Salahaddin University, Erbil –Iraq

Working Post: Head of the department

Home Address: Erbil, Farmanbaran

Education:

- **B.Sc. Plant Protection, Agriculture, Salahaddin University, Erbil, 2005.**

- **M.Sc. Plant Protection, Entomology, Agriculture Science, Salahaddin University, Erbil, 2011** Thesis title “Biological and Ecological Study of the small cabbage white butterfly, *Pieris rapae* L. (Lepidoptera: Pieridae) on the cabbage and cauliflower crops in Gradarasha Research Station, Erbil Province, Kurdistan Region-Iraq”.
- **Ph. D. Biology, Entomology, Agriculture Science, Salahaddin University, Erbil, 2020** Dissertation title “Taxonomic and molecular study of some flat-headed borers larvae (Coleoptera: Buprestidae) occurring across Erbil Province, Kurdistan Region-Iraq”

Employment:

I was assigned as Assistant Agricultural Engineer in the Department of Plant Protection, College of Agriculture, Salahaddin University -Erbil, from November 2005 till October 2009.

As an assistant lecturer, I had been teaching certain subjects of plant protection in the field of entomology/ Salahaddin University -Erbil, from June 2011 until now.

Qualifications

- Teaching qualifications: I achieved a high score in the process of quality assurance in most academic years.

- IT qualifications: I have good information about the following computer programs:
 - Microsoft Word Document
 - Microsoft Excel Worksheet
 - Microsoft Publisher Document
 - Microsoft PowerPoint Presentation, and
 - Adobe Photoshop Image.

- Language qualifications: IELTS, PTE

Teaching experience:

Since I achieved scientific entitlement to now I was taught the following subjects:

- 1- Insect Morphology (practical) for second-year students.
- 2- Field crop insects for Fourth-year students.
- 3- Principles of entomology for second-year students.
- 4- Insect Physiology for 3rd-year students during four consecutive years, 2014 -2020.
- 5- Horticulture Insects for fourth-year students during three consecutive years, 2017-2020.
- 6- IPM for 4th-year students during two consecutive years, 2020 - 2021.
- 7- Agricultural Extension for second-stage students of the plant protection department
