Dear Dr Yousif Al-Maqdici,

Re: "Prospective of 2D materials for 6G wireless communication"

Manuscript reference: NANO-136956

Thank for you reviewing this Topical Review for Nanotechnology.

We are committed to improving our reviewer experience and would like to ask for your feedback on the process of reviewing a submission with us.

Please take a few minutes to complete a short survey by following the link below:

<https://forms.office.com/r/T26Bu71Wz5>

We also want to remind you that by completing a reviewer report for us, you will have earned a discount on our [Article Publication Charges \(APCs\)](#). You can also gain recognition of your review via the Web of Science Reviewer Recognition Service and ORCID.

Thank you for your help and we look forward to working with you again in the future.

Yours sincerely,

On behalf of the IOP peer review team:

Editor – Alex Wei

Associate Editors - Alexander Gravells, David Marquiss, Molly Lockhart, Rowan Sutton, David Murray, Heather Roxburgh
