Cover Letter:

Renas graduated from the Department of Biology in the College of Science at Salahaddin University-Erbil in 2005. From 2006 to 2011, she worked as a research assistant in the same department, and she earned an academic Higher Diploma degree in Biology/Hematology in 2012 and then a master's degree in Hematology in 2015. As well, she served as a lecture assistant from 2015 till now. Furthermore, she started her doctorate study in Hematology also in the College of Science at Salahaddin University-Erbil in 2020. Currently, she is an assistant lecturer and Ph.D. student in the department.

In 2019–2020, she was appointed a member of the undergraduate examination committee of the college. In addition, she participated in many course trainings outside and inside the country, and also workshops, symposiums, and conferences, which are described in greater detail in her curriculum vitae.
