Academic Title: Assistant Lecturer

Email: (university email) rezhin.mustafa@su.edu.krd

Mobile: 009647504256696

Education:

1) **Practical Geochemistry**- Earth sciences and petroleum Department- undergraduate 4th stage, 1st and 2nd course.

Employment:

- 1) **Geology department/ College of Science- Salahaddin University- Erbil**
November 18, 2013 – as Assistant geology.
- 2) **Geology department/ College of Science- Salahaddin University**
December 23, 2020 – present as Assistant Lecturer.

Qualifications

- 1) **B.Sc. in Geology, 2013 Salahaddin University-Erbil, College of Science**
- 2) **M.Sc. in Geochemistry, 2019 Salahaddin University-Erbil, College of Science**

Title of Thesis: Geochemistry and mineralogy of the shales from Chia Gara Formation (Late Jurassic- Early Cretaceous), Kurdistan Region, Iraq.

Teaching experience:

- **Geochemistry**
- **Clay mineralogy**
- **General Geology**

TRAINING COURSES

- 1) **English Course-** Language Center- 3 Months- 2018
- 2) **Pedagogy course-** Salahaddin University- 6 Months- 2020
- 3) **Arc-GIS training course-** College of Science- 4 days- 2022

SUMMER GEOLOGY FIELD

- 1) One-week course with emphasis on geologic mapping, structural geology, stratigraphy.
- 2) Creating geologic maps and cross sections for areas near Shaqlawa by field study; evaluating geologic past of areas based on sedimentary packages, and structural.
- 3) Conducting field trips for obtaining knowledge and data to carry out further research works in specific fields e.g. visiting places (Shaqlawa town, Merawa village, Sararu village, Sarki village).
- 4) Collecting specific material related to research field for reading, so that can conduct further research works in the future.
- 5) During two-year of M.Sc. study, I have gained further experiences in interpreting chemical analysis data as well as completing courses on leadership, project management and report writing.
- 6) Provided administrative support, including organizing dates, venues and distribute work between student groups.

Research and publications

- Geochemistry application in unraveling paleoweathering, provenance and environmental setting of the shale from Chia Gara Formation, Kurdistan Region, Iraq (2020). *Iraqi Geological Journal*, 90-116.
Rezhin K. Mustafa, Faraj H. Tobia
- Geochemical and Clay Mineralogical characteristics of the black shale and constrains on diagenesis and maturation, Chia Gara Formation, Kurdistan Region, Iraq (2022). *Iraqi Geological Journal*, 23-37.
Faraj H. Tobia, Rezhin K. Mustafa

Conferences and courses attended

- Geoscience Application workshop/ Geology department/ Science College/ Salahaddin University. 4-5/12/2018
