Acceptance of Manuscript

After a careful and thorough perusal of your revised manuscript:

**FORMATION OF POTENTIAL HETEROTIC GROUPS OF MAIZE INBRED
LINES USING VARIATION AT SIMPLE SEQUENCE REPEAT LOCI**

And critically looking at the reviewers comments on your manuscript, I am pleased that you effected the corrections as recommended by the reviewers. Therefore, we have the pleasure to inform you that your manuscript has been accepted for publication.

It will be published in IJAS Volume 56, Issue (2), 2025

Thanks for publishing with us.

Best Regards

Baktash
Prof. Dr. F.Y. Baktash
