<p>7. Course overview: This course (general English for university students) builds academic and proficiency language skills of language required for lectures, tutorials, reading research and written assignments. It is designed to be taught to freshers in order to develop their ability to communicate; comprehend new concepts. It involves a variety of elements like new vocabulary, pronunciation, grammar structure and texts for reading...etc., which enables them to speak fluently in an academic way. As the first year study is shorter the course of Social Science Departments involves: -Parts of speech and lexical-grammar. -The <u>first</u> (Education) and the <u>third</u> (Work and Business) theme of the logbook (General English for University Students) are studied only. - Some extra-curricular related to each scientific department. -Regarding the grammar, different tenses and aspects of simple and continuous with different voices.</p>	
<p>8. Course Objective: This course aims at providing the fresher's with a number of real based language aspects and topics so as to make them have a better background knowledge of English language and develop their communication ability using the English language and expressing their own field or major.</p>	
<p>9. Student's Obligation</p> <p>➤ Regular attendance is required according to the university rules.</p>	

- The use of mobile phone during the class is prohibited.
- Only the students who are officially enrolled can attend the class, guests and children are not admitted.
- Daily participation and conducting assignments are required.

10. Forms of Teaching

-Communicative Approach (Integrated Skills), Lexical Approach, Task-based
 –An approach will be Implemented taking the student's Multiple-Intelligences in to considerations.

-Massive teaching leads to group, pair and individual independence. Students' presentations.

-The technical terms are going to be chosen by the English language instructor and the scientific department in which they are used in real contexts.

11. Assessment Scheme

Students are assessed depending on their exam results. Marks are given on the basis of students' performance in the exams as follows:

1. First monthly exam 20% (Listening 5M, Speaking 5M, Reading 5M, and Writing 5M)

2. Second monthly exam 20% (Listening 5M, Speaking 5M, Reading 5M, and Writing 5M)
