To whom it may concern

I hereby certify that Fr. Dr. Samer Soreshow YOHANNA took an active part in the works of the 13th Syriacum Symposium, which was held throughout the week of 4 to 9 July 2022 at the Institut national des Langues et civilisations orientales in Paris. He was one of the speakers at the round table devoted to recent challenges facing the Syriac and Arab Christian heritage, with a presentation on Syriac and Arabic Christian manuscripts from the Chaldean tradition. He contributed to the concluding session and was a constructive participant.
