Dear Dr. Khasraw,

It is a pleasure to accept your manuscript entitled "On the Non-Commuting Graph of the Group U_6n" in its current form for publication in the Malaysian Journal of Mathematical Sciences (MJMS).

Thank you for your fine contribution. If possible, cite one or two articles from MJMS in your current accepted manuscript and also in your future manuscript. On behalf of the Editors of the Malaysian Journal of Mathematical Sciences, we look forward to your continued contributions to the Journal.

Sincerely,
Prof. Dr. Zanariah Abdul Majid
Editor-in-Chief, Malaysian Journal of Mathematical Sciences
eic.mjms@upm.edu.my

Comments to the Author
The references should be arranged in alphabetical order of surnames of the authors before publication.

Reviewer: 2

Comments to the Author
The authors have revised this paper according to my suggestions. I recommended this paper for publication in MJMS.
