Subject: Malaysian Journal of Mathematical Sciences - Decision on Manuscript ID MJMS-2023-0202.R2

Dear Prof. Haniza,

As we informed you on **25 January 2024**, your article entitled "The Squared-Zero Product Probability of Some Ring of Matrices over Integers Modulo Prime (MJMS-2023-0202.R2)" is accepted in its current form for publication in the Malaysian Journal of Mathematical Sciences.

Editor(s) decision : Accepted
Comment: I agreed with the revision made by the authors based on the reviewers' comments. However, I have a comment:
[1] Please **cite two articles published in MJMS** related to the manuscript.

Please send your final manuscript based on the editor's comments and email us the revised version of your manuscript (full folder of LaTeX) using the journal's template given (see attachment) before **9 February 2024** for formatting checking.

Please refer to the published article for the reference section.

Please ensure that **all the citations must describe the contribution** of this article. The **maximum self-citation** (author and co-author) allowed is **only up to 2**
