

Academic Curriculum Vitae

Personal Information:

Full Name: **Prof. Dr. Sardar Yassen Taha Alsardary**

Academic Title: **Professor**

Email: **sardar.alsardary@su.edu.krd**

Mobile1: **+964 7704911123**

Mobile2: **+ 964 7504532458**

Education:

- B. Sc. In Agriculture (Animal Husbandry), Mosul University. Iraq. 1975.
- M. Sc. In Animal Science (Poultry Physiology), Cairo University, Egypt. 1980.
- Ph. D. In Animal Science (Poultry Production), Cairo University, Egypt. 1988.

Employment:

- Assistant Lecturer of poultry physiology, college of Agriculture, Sulimani University (1980-1982).
- Lecturer of poultry physiology, college of agriculture, Saladdin University- Hawler. (1982 – 1985).
- Assistant professor of poultry production (1991-)
- Dean assistant of college of medicine, Salahaddin University-Hawler (1993- 1998)
- Head of animal resources dept., college of agriculture, Saladdin University – Hawler (1998-2005).
- Vice president, Foundation of Technical Education. 2005-2008.
- Dean of Technical Medical Institute, Foundation of Technical Education. (2008-2010).
- Dean of Agriculture College, Salahaddin University - Hawler (2010-2016).

Qualifications

Teaching qualifications: Professor , Salahaddin University – Hawler since 2012.

- Assistant Professor, Saladdin University – Hawler , since 1991.

Undergraduate Courses given to colleges of agriculture, education and

Medicine is: Principle of animal production, Animal physiology, Poultry physiology, Fishery production, Animal production projects and Medical biology

- Language and degree of proficiency: Kurdish (mother tongue), English, Arabic & Turkish.

Teaching experience:

- Professor , Salahaddin University – Hawler since 2012.
- Assistant Professor, Saladdin University – Hawler , since 1991.

Undergraduate Courses given to colleges of agriculture, education and Medicine is: Principle of animal production, Animal physiology, Poultry physiology, Fishery production, Animal production projects and Medical biology

Graduate courses: Advanced animal production, advanced animal physiology, advanced avian physiology, advanced artificial hatching & hatchery management, Advanced animal products technology, Advanced poultry nutrition, advanced histology, Advanced genetics, Special projects, Turkey Raising, Turkey Production, Turkey Nutrition and seminars.

Research and publications

- 1) Effect of some managerial factors on dam weight, egg weight and progeny weight in medium-sized weight turkey. Zanco. Vol.2 no. 3 1984.
- 2) The effect of feed restriction on local Iraqi turkey during the growing period and the performance at 24 weeks of age. Zanco. Vol.2. no. 4 1984.
- 3) Effect of restricted feeding during the growing period on subsequent reproductive performance of local Iraqi turkey. Zanco. Vol. 3 no. 3 1985.
- 4) The effect of age and sex on growth characteristics and carcass composition of local Iraqi turkey. Zanco. Vol. 3 no. 1 1985.
- 5) Effect of strain and temperature on response degree of the local Iraqi turkey males during semen collection. J. of Iraqi Veterinary Medicine. Vol. 10. 1986.
- 6) The phenotypic performance of reciprocal crosses of local turkey strains. Iraqi Agriculture Science J. vol. 21. 1990.
- 7) Physiological features of force molting in laying hens. 1st. Scientific Conference of Saladdin University. Erbil. 1990.
- 8) Effect of dehydrated alfalfa and age on egg weight, yolk percentage, yolk index and yolk color in Hay-line W-98 layers. Zanco. J. of Pure and Applied Science. Saladdin Univ., Hawler. Vol. 19. No. 1. 2007. (pp. 87-97).
- 9) The effect of feeding vegetable fat and sunflower oil and their mixture on broiler performance and chemical composition of main carcass parts. 1. Performance and slaughter traits. Egyptian Poultry Science J. vol. 27. No. 3. 2007. (pp. 925-944).
- 10) The effect of feeding vegetable fat and/or sunflower oil and their mixture on broiler performance and carcass characteristics and chemical composition of main carcass parts. 2. Chemical composition of main carcass parts. Egyptian Poultry Science J. vol. 27. No. 3. 2007. (pp. 945-967).

- 11) Some factors affecting the physiology of egg shell formation and its quality in laying hens. 1. Egg shell formation and its quality. J. of Tikrit University for Agricultural Sciences. Vo.7. no. 1. 2007. (pp. 98-112).
- 12) Some factors affecting the physiology of egg shell formation and its quality in laying hens. 2. Hematological and biochemical characteristics. J. of Tikrit University for Agricultural Sciences. Vol. 7. No. 2. 2007. (pp. 19-33).
- 13) The effect of faba beans inclusion into hens diet and its influence on egg shell quality. Slovak J. Anim. Sci. 40 (4), 2007. (pp 180-184).
- 14) The effect of including faba bean in the diet and hen's age on eggs albumin quality. 7th. Slovak Conference of Animal Physiology. May 23-24th, 2007. Nitra, Slovak Republic.
- 15) The influence of faba bean (*Vicia faba* L.) in layers diet and the age on the interior egg quality. Risk factors of food chain, 6th International Scientific Conference. Oct. 12, 2006. Nitra, Slovak Republic.
- 16) Effect of garlic (*Allium sativa*) on some physiological and reproductive characteristics in broiler breeder chickens. 1. Productive and reproductive characteristics. Iraqi J. of Poultry Science 4(1), 2009. (pp 92-114).
- 17) Effect of garlic (*Allium sativa*) on some physiological and reproductive characteristics in broiler breeder chickens. 2. Physiological characteristics. Iraqi J. of Poultry Science 3(2), 2008. (Pp109-120).
- 18) Effect of field beans (*Vicia faba*) and age of layers on some production parameters. Acta fytotechnica, ET, zootechnica, 12, pages 4-8, 2009.
- 19) Performance of broiler chicken fed locally grown full-fat soybean based diets in Iraq. Iraqi J. of Poultry Science, 2010 .
- 20) A Comparison of egg quality from hens reared under organic and commercial systems. Landbauforschung VTI Agriculture and Forestry Research , Special Issue No 362 (Braunschweig , 2012) ISSN 0376-0723. Impact factor,0.279.Status.
- 21) Effect of black seed (*Nigella sativa*) in the diet on productive, Physiological traits and immune response against Newcastle Disease and Avian Influenza Viruses in commercial layers pullets. Mesopotamia J. of Agric. Vol. (41) No.(3) 2013 .
- 22) Effect of using heat treated soybean in ration on production performance of broilers . Diyala Agric. Sci. J. Vol. (5) No. (2) Part (1) 2013.
- 23) Effect of broiler chickens living conditions on results of fattening . Agronomy ,
- 24) Effect of thermal manipulation during embryogenesis on hatched broiler immunity. International Conference on Food and Agricultural Engineering , Prague , Czech Republic on 23rd June 2016 .

- 25) Effect of Some Feed Additives on Quality and Chemical Composition of Local Quails Eggs . International Conference on Food and Agricultural Engineering , Prague , Czech Republic on 23rd June 2016 .
- 26) Comparison Study of Carcass Traits in Roosters Resulted from Different Local Lines and Their Crosses with ISA Brown . International Conference on Food and Agricultural Engineering , Prague , Czech Republic on 23rd June 2016 .
- 27) Poultry Feeding and Management in Hot Climate. Iraqi Poultry Producers Association. Brochure # 5. Dec., 2005.
- 28) Manual of Commercial layers Production. Iraqi Poultry Producers Association. Brochure # 20. Nov., 2007.

Conferences and courses attended

- 1) First Scientific Conference of Saladdin University. 1999.
- 2) American Soybean Association (ASA) meeting. Amman. 2005.
- 3) First Deans of Colleges of Agriculture and Veterinary Medicine at Iraqi Universities Conference. Erbil, March 16-17, 2006.
- 4) Seminar on poultry diseases and management. Dohuk, March 5 - 6, 2007.
- 5) Technical conference on world trends in poultry industry. US Grains Council. Jordan. March 21-22, 2007.
- 6) Seminar of poultry policy in Kurdistan. Erbil, May 24, 2007.
- 7) Seminar on vaccination techniques and programs in poultry. Erbil, June 6, 2007.
- 8) American Soybean Association (ASA) meeting. Istanbul. June 26-28, 2007.
- 9) Seminar on poultry production and health. Erbil, July 28, 2007.
- 10) First conference on the strategic plan of Animal resources. Ministry of Agriculture. Erbil. Aug. 13-14, 2007.
- 11) Poultry diseases and vaccination seminar. Erbil, August 18, 2007.
- 12) First poultry scientific research conference. Sulimania, Nov. 11 - 12, 2007.
- 13) Technical consultation conference on poultry in Iraq. Jordan Dec. 16 – 17, 2007.
- 14) First Scientific Conference for Agricultural Research. Kirkuk University. Sept. 4-5, 2007.
- 15) Conferences of Kurdistan Agricultural Engineers Union. 1991 – 2007.

- 16) Second Organic Animal Husbandry Conference , Hamburg, Trenthorst, 12-12-14 September , 2012 . (Tackling the Future Challenges of Organic Animal Husbandry)
- 17) Second Strategic Conference of Ministry of Agriculture, Iraqi Kurdistan Region , Arbil ,August , 2013 .
- 18) Sixteenth (16 th) Enviromment , Ecosystem and Developments (EE Ds) Conference , Prague , Czech Republic , 18 - 20 March , 2016 .(Presentation of 2 papers)

Funding and academic awards

- 1) Leadership and management of Universities in the 21st century. March 25-29, 2006. United Nations Universities Institutes (UNV-ILI) , Amman –Jordan .
- 2) Grains inspection and grading and feed analysis. Central lab for feed and food analysis. Cairo. Egypt. Nov. 22-27, 2006.
- 3) Annual meetings for animal resources. Ministry of Agriculture. Kurdistan. 1991-2007.
- 4) Lifelong learning UK 1st Annual conference. Investing in the lifelong learning Workforce. 7th Dec., 2006. London. UK.
- 5) The 4th Annual Teacher education Conference "Promoting Excellence in Teacher Education". Brighton. 1st Dec., 2006.
- 6) Leadership Development for Professional. Tennessee State University and Saladdin University. Erbil. July 12-25, 2006.
- 7) Training Course in animal Production, Ministry of Agriculture Training center, Cairo, Egypt. For one month, September, 2007.
- 8) Fulbright Visiting Scholar Exchange Program for Iraqi higher education faculty, at Michigan State University. East Lansing, from June, 27th to September, 4th, 2011.

Professional memberships

- 1) Head of examination committee for colleges of agriculture and medicine, Salahaddin Univ.
- 2) Head of central scientific promotion committee. Technical Education Foundation, Erbil.
- 3) Head of scientific promotion committee. College of agriculture, Salahaddin Univ.
- 4) Head of scientific promotion committee. College of medicine, Salahaddin Univ.
- 5) Head of awarding scientific rank committee. Technical Education Foundation.
- 6) Head of awarding financial incentives committee. Technical Education Foundation.
- 7) Evaluation of many M. Sc. Thesis As well as Ph. D. Dissertations. In Federal Iraqi as well as Kurdistan Universities.
- 8) Evaluation of many animal resources projects in Kurdistan.
- 9) Executive manager of Third World Development Organization (Canadian NGO) projects of higher education in Kurdistan. (Providing scientific, administrative as well as logistics inputs).
- 10) Member of KAHEAD project committee. (Cooperation between Kurdistan Regional Ministries of Higher Education and Agriculture with University of Hawaii, USA.
- 11) Member of higher consultation committee of Ministry of Agriculture. 1998- 2005.
- 12) Head of Consultation Office , College of Agriculture Salahaddin Univ., 2010-2016.
- 13) Head of Ph.D. Students Exam. Committee , College of Agriculture , Salahaddin Univ. ,2015- 2016.
