

CERTIFICATE OF PARTICIPATION

Awarded to

Sawsan Muhammed Sorchee

Friday 28th April 2023

- Revolutionizing Healthcare Safety: The Crucial Role of Medical Simulator Manufacturers (0.5 hour)
- Successful Leadership of Healthcare Simulation-Based Education Programs (0.5 hour)
- A Simulation-Based Clinical Nursing Education in a Low-Resource Setting (0.5 hour)
- The Power of Virtual Reality in Healthcare Education: A Simulation-Based Learning Approach (0.5 hour)
- Escape Rooms: Gamifying Healthcare Simulation Scenarios (0.5 hour)
- Panel Discussion
Beyond the Simulator: How to Effectively Integrate Simulation-Based Learning into Clinical Practice (1.50 hours)
- Conference Workshop
The Art of Medical Moulage: Enhancing Realism and Immersion in Healthcare Simulation (2.0 hours)

Saturday 29th April 2023

- From Concept to Reality: How to Build a Sustainable Simulation Center (0.5 hour)
- Integrating Simulation-Based Education in Undergraduate Medical Curriculum (0.5 hour)
- Building a Culture of Safety in the Simulation Learning Environment (0.5 hour)
- Tele simulation through a Laboratory-Based Online Learning Platform (0.5 hour)
- Bringing Real Life to the Virtual World: The Role of Virtual Reality (VR) Simulation in Medical Education and Training (0.5 hour)
- Breaking Barriers in Healthcare Simulation: Using Standardized Patients to Improve Access to Quality Education and Training in Low-Resource Settings (0.5 hour)
- Exploring the Objectives and Ethical Implications of Medical Simulation Practices (0.5 hour)
- Panel Discussion
Simulating Success: The Critical Role of Policy Makers in Integrating Simulation-Based Learning into Healthcare Training and Education (1.50 hours)

DR. RANDALL RHODES
President, The American University of Kurdistan

DR. JERVY BERNARDINO
Chair, AUK Simulation Conference
