

Academic Curriculum Vitae

Personal Information:

Full Name: Sayran Yousif Jalal
Academic Title: Lecturer
Email: sayran.jalal@su.edu.krd
Mobile: +9647507435940

Education:

Date	Degree	College/University	Country
2011	B.Sc. in Environmental Science	Science/Salahaddin	Iraq
2016	M.Sc. in Solid Waste Management	Science/Salahaddin	Iraq
2024	PhD. In Soil Pollution and GIS	Science/Salahaddin	Iraq

Employment:

Date	post	Department/College	University
2012-2013	Lab demonstrator	Environmental science/ Science	Salahaddin
2016-2020	Assistant lecturer	Environmental science/ Science	Salahaddin
2019-2020	Member Of Health and Safety Committee	Environmental science/ Science	Salahaddin
2017-2018 2020-2021	Member of Examination Committee	Environmental health and science	Salahaddin

- **IT qualifications**

Software	
Name of Program	Type
Windows	
Microsoft	Word
	Excel
	Power point
SPSS	

- Language qualifications such as TOEFL, IELTS or any equivalent
IELTS (2015): 5.0

Qualifications and Skills		
Training courses		
Name of course	Duration	Place
Teaching methods	6 weeks	University of Salahaddin
General English	16 weeks	Cambridge college
Computer	5 weeks	IT center of Salahaddin University

Teaching experience:

Date	Subject	Stage/ College	University
2017-2018	Principle of environmental science	First/ Science	Salahaddin
2018-2019	Computer science	First/ Science	Salahaddin
2016-2017	Environmental Engineering	Third/ Science	Salahaddin
2022-2023	Soil Science	Fourth/ Science	Salahaddin
2019-2020	Environmental Indices	Second/ Science	Salahaddin
2022-2023	Ecostatistics	Second/ Science	Salahaddin

Research and publications

Title of thesis \ researches	Not published	Published	Approved to be published	Publishing place	Volume	Date
Applied compost quality indices for assessment different composting methods by using household solid waste						
Compost quality assessment for the household solid wastes of Erbil city		✓		Zanco Journal of Pure and Applied Sciences	31 (5)	2019
The effects of Insects on the Physicochemical Characteristics During Composting		✓		Iraqi Journal of Science	60 (11)	2019
Chemical and Biological properties of compost produced from house solid waste.		✓		Zanco Journal of Pure and Applied Sciences	35(3)	2023
Leachate Characterization and Evaluation of Ground Water Quality Around Landfill Area Using the Canadian Council Ministers of the Environment Water Quality Index		✓		Iraqi Journal of Science	64(12)	2023
Spatial Distribution of Heavy Element in Erbil's Municipal Landfills by Using GIS		✓		Baghdad Science Journal	21(3)	2024

Professional memberships

From 2011 to date member in Kurdistan biology syndicate
