Walliman ,2002, Useful websites:(www.greatbuilding.com , www.arcspace.com ,www.m7mar.com, http://www.architecture-page.com, http://www.ichardmeler.com.http://www.architecturegozine.com ,http://www.arab-eng.org *good resource for e-book	Date:	Examination No.: 15367	Version:1/9/2019	Start: 5/2/2023	
Module Language: English	Module Name - Code		Architecture Design 4		
Lecture (P): Lecture (P): Assistant Lecture: Provided Assistant Lecture: Sway Jamel Assistant Lecture: Syay Jamel Assistant Lecture: Syay Jamel Assistant Lecture: Syay Jamel Assistant Lecture: Syay Jamel Assistant Lecture: Fater Raditivan M. Arch Givan Tabseen M. Hele					
Assistant Lecturer Sweyda Abdulla Assistant Lecturer Saya Jamal Assistant Lecturer Fater Radiwan MArc Count Fater Radiwan		*			
Assistant Lecturer; Saya Jamai Assistant Lecturer; Fater Radhwan M. Arch Givan Tohseen M. Helia College: College: College: College of Engineering - Salahaddin University Duration: 15 week - 1 semester Course outcomes: The student of the correct project management strategy, 2. DEFINE en architectural design concept, 3. UNDERSTAND functional relationships in the project. 4. TRANSFER the concept (file idea) to a real design. 5- DISCOVER the relation between mass and sile according to fundamental principles of sustainability. 6- SOLVE basic design problems with a new idea. Course Content: 1. Lawson Fred: Hotels &Resorts planning, design and refurbishment; architectural press. (Broto and Broto, 2014), Hotels. Architecture and Design, Leading International Key Services Barcations, S.A., Some useful e-books that you can find it in our Department's Library, "Time-Saves Standards for Building Lypes" Joseph De Chiere, Michael J. Crostie, 2001, "Architects' Department's Library, "Time-Saves Standards for Building Lypes" Joseph De Chiere, Michael J. Crostie, 2001, "Architects' Department's Library, "Time-Saves Standards for Building Lypes" Joseph De Chiere, Michael J.
