

# Academic Curriculum Vitae

## Personal Information:

Full Name: **Tahseen Abdulrahim Azeez**

Academic Title: **Assistant professor**

Email: **(Tahseen.azeez@su.edu.krd)**

Mobile: **+9647504762642**

## Education:

- 2008: Ph.D. in Geography of Groundwater Resources (Spatial Variation of Springs Water in Sulaymaniyah Governorate) Al-Mustansiriya University- Collage of Education – Department of Geography.
- 2002: MA. in geography of surface water resources (morphometric characteristics of the Rwandze River Basin and its water needs). from Salahaddin University / Erbil - Collage of Arts – Department of Geography.
- 1997: Bachelor's degree in Geography / Salahaddin University, Erbil, Iraq

## Employment:

- Research Assistant 04/05/1998.
- Researcher 8/11/1998.
- Assistant lecture 10/02/2002.
- Lecturer 04/29/2008.
- Assistant professor 24/05/2014

## Qualifications

- I am specialized in the field of water resources.
- I have good experience in the field of statistics.
- I have good experience in the field of GIS.
-

## Teaching experience:

- I have been teaching Water Resources To (undergraduate and Postgraduate Studies) in the Department of Geography, College of Arts / Salahuddin University since 2002 and I am still continuing.
- I teach a subject) geographical statistics) , to (undergraduate and Postgraduate Studies) in the Department of Geography, College of Arts / Salahuddin University.
- I teach a subject) GIS) , to (undergraduate and Postgraduate Studies) in the Department of Geography, College of Arts / Salahuddin University.

## Research and publications:

- Spatial Analysis of Morphometrics Characteristics of Bastora Basin - QALAAI ZANIST JOURNAL, 2023.
- Water Resources and Their Suitability for Irrigation in Khabat District, QALAAI ZANIST JOURNAL, 2022.
- The Uses and evaluation of water resources in the Zalm river basin - Zanco Journal of Humanity Sciences, 2022.
- Using Stream Length-Gradient Index (SL Index) in the Morphological study of the Smaqooli valley Basin, - Zanco Journal of Humanity Sciences, 2017.
- The Industrial Structure of Private Sector Industries in Erbil Governorate, Zanco Journal of Human Sciences, Journal of Salahaddin University of Erbil, Issue (48), 2011.
- The use of geographic information systems and remote sensing in the application of hydrological models, Zanco Journal of Human Sciences, Salahuddin University Erbil Journal, Issue (51), 2012.
- The use of geographic information systems and quantitative methods in the study of morphometric characteristics of the Tangro Valley Basin, Journal of the Iraqi Geographical Society, Volume 1 (No. 69) 2013.
- The Importance of the Digital Elevation Model in the Study of the Geomorphological Characteristics of the Koya Valley Basin, Koya University Journal of Human Sciences, Issue (31) 2014.
- Possibilities of water harvesting (small dams) in the Sherbot Heights using geographic information systems and remote sensing, International Journal of Environment and Water, Part (3), Issue (2) 2014.
- Geographical analysis of the frequency of dust phenomena and their trends in the city of Erbil for the period 1992-2014, Kurdish Academy Journal, Issue (38), 2017.
- Application of the EPM Model for the Quantitative Estimation of Water Erosion in the Wadi Zalam Basin Using Geographic Information Systems, Duhok University Journal, Volume (22), Issue (1), 2019.

## Conferences and courses attended

- (Participant without research) in the conference of traditional settlements in the Zagros Mountains region - University of Kurdistan - Islamic Republic of Iran for the period from 4/30/2008 to 5/2/2008.
- (Participant in research) at the international conference (Geo Tunisia 2010), Tunisia, for the period from 11/29/2010 to 12/03/2010.
- Participant with research in the second geographical conference of the University of Duhok, for the period 3-4 April 2019.
- Participant in a research conference of the Department of Geography, University of Sulaymaniyah.

## Professional memberships

- Member of the Teachers Union.
- Member of the University Teachers Union.
- Member of the Kurdistan Geographical Society
