Department: Biology, College of Education, Salahaddin University- Erbil.

Job Title: Assistant Prof.

Education:

2007 Ph D. Zoology (Insects Taxonomy) / Department of Biology- College of Science –Baghdad University-Baghdad, Iraq.

1996 M Sc. Entomology (Insect Biology) / Department of Biology - College of Science – Salahaddin University-Erbil, Iraq.

1993 B Sc. Biology/ Department of Biology– College of Science - University of Salahaddin – Erbil Iraq.

1989 Baccalaureate, Science Branch, Rizgary Preparatory School / Erbil, Iraq.

Employment History:

17/4/1996 Date of first assignment in the University: Assist. Lecturer. Biology Dept., Education College- Salahaddin University- Erbil, Iraq.

9/5/1996 Assist. Lecturer.

29/9/2002 Lecturer.

11/6/2011 Assistant Prof.

March 2000 Decider of the Scientific committee in Biology Dept., College of Education.

April 2002 Decider of Biology Dept., College of Science Education.

1997-2008 Member in the Examination Committee of the College of Education.

April 2008 Manager of Educations College Library.

Oct.2010 Member in Quality insurance committee of Biology Dept.

Oct 2012 Member in Programming Improvements committee of Biology Dept.

Oct 2013 Head of Quality insurance committee of Biology Dept

Jun 2014 Decider of the higher education committee in Biology Dept., College of Education.

Oct 2015-2021 Member in scientific and higher education committee of Biology Dept., College of Education

Courses and training:

- December 1996 Teaching method course. College of Education. Salahaddin University.
- July 2000 Training course in use of computer. College of Education. Salahaddin University.
- July 2001 English language learning. College of Arts. Salahaddin University.
- Aug 2014 Methods and principles of systematic zoology (sensu lato: including zoogeography and phylogenetics) and systematic of the Buprestidae (Coleoptera)
- Feb 2016 Academic Debate Training course. Avicenna Center for E-Learning in Salahaddin University, Erbil

Professional memberships :

Entomological Society of America (ESA), Entomological Society of Egypt, Forum Entomologi Italiani, Iraqi Biological Society (IBS) , Kurdistan Biological Society and Kurdistan Teachers Union

Experimentation & Techniques:

- Polymerase chain reaction (PCR).
- General biology techniques.
- Biological preparations.
- Scientific photography.

Courses Delivered (Teaching Experience)

B. Sc. Courses

General Entomology, General Zoology , Invertebrate Zoology , Histology , Scientific Debate .Public health ,Research methods ,Viewing and teaching methods.

M. Sc. Courses

Economic Entomology (M.Sc.) , -Insects Classification & Taxonomy(M.Sc.) , -Insects Biology (Diploma) , - Medical Entomology (Diploma& M.Sc.), -Insect Morphology (M.Sc.), -Insect Taxonomy (M.sc&PhD),-Biological topics(M.Sc.)

Ph D Dissertation:

Title: Taxonomic study of the flat headed steam Borers (Coleoptera: Buprestidae) in Iraqi Kurdistan

Supervision on higher studies

M. Sc. Thesis's

Swara, R. S.(2015) Efficacy of Four Plants (Leaf and Seed) in Powder Form on the Flour Beetle *Tribolium confusum* Jaquelin du Val, 1868 (Coleoptera:Tenebrionidae) and its Reflection on the Histological Structure of the Midgut. M. Sc. Thesis, Sci. Educ. Coll., Univ.Salahaddin: 106pp.

Abdulqader, N. M. R.(2015)Taxonomic studies of some ant species (Hymenoptera:Formicidae)in some localities in Kurdistan Region-Iraq. M. Sc. Thesis, Sci. Educ. Coll., Univ.Salahaddin: 156pp.

PhD. Dissertation

Pshtiwan A. Jalil(2020) Survey, taxonomy and molecular identification of wood boring insect larvae of buprestidae (coleoptera) occurring across the north of Iraq (Kurdistan region).Ph.D. dissertation Sci. Educ. Coll., Univ.Salahaddin:225pp

Research Interests:

Insect Taxonomy and Systematic, Biological control, Insect Biology
