It's my pleasure to inform you that, after the peer review, your paper, **“The DRIS methodology to determine the best balance of Nitrogen, phosphorus and potassium levels on the yield of Chickpea plant (Cicer arietinum L.)”** has been to publish with **Tikrit Journal for Agricultural Sciences (ISSN):1813-1646 (Print); 2664-0597 (Online)**. It will be published in 2023 vol.23 Issue 4.

I believe that our collaboration will help to accelerate the global knowledge creation and sharing one step further. Please do not hesitate to contact me if you have any further questions.

Sincerely,

Associate Editor

Lect. Dr. Ammar Saadi Ismaeal
