

To whom it may concern,

This letter is to certify that Dr Yousif Hasan Husen has kindly collaborated with Iran Academia as a thesis examiner in February 2024 as part of our online Persian Master's program in Social Sciences. This thesis was written on "The political and social integration of the Kurdish diaspora in European societies: The case of the Kurdish diaspora in Norway".

Institute for Social Sciences and Humanities – also known as Iran Academia – started in 2012 due to violations of the Right to Education, academic freedom, and lack of University autonomy in Social Sciences in Iran. The institution is based in The Netherlands and connects its faculty and staff across an extensive global network with a mission to encourage critical thinking and build capacity for Iran's youth by increasing access to uncensored knowledge.
