Application for position of

Dear ,

I am an English Language lecturer and my specialization is in English Language and Linguistics. I can express myself as **a self-motivated and creative teacher with a focus on students' learning and how to use English language in an effective way. I have devoted most of my time to teach English by using the latest technology.**

I would like to be considered for the above position and hope to demonstrate how much I could bring to it. My research and teaching interests fit extremely well with the requirements of this post and with existing members of staff.

*In my future research plans, I want to work on Computational Linguistics and Neurolinguistics.*

Experience in teaching English as a foreign language through different techniques as :

(games, songs, stories, flashcards, audios, videos and machine learning programs)

-Supervising School Magazines.

-Supervising English Language Expeditions.

- Worked as an English teacher in English Language Summer Courses.

- Worked as an translator and interpreter in University (using Kurdish- English and Turkish languages), and as a lecturer teaching first and second year students.

***Believing in the strong communication between teacher and students paved the way to success in teaching –learning process.***

I have *seven years'* of teaching experience in English Language skills. I am also aware of the importance of the pastoral care of students and take the role of tutor very seriously. I am experienced in liaising with colleagues to help students with a variety of problems . I can Express myself with some words like ***Patience at work , Time Management , Research for self-development , Training and Sense of Responsibility.***

I would be grateful for the opportunity to demonstrate my capabilities further at interview. I look forward to hearing from you.

Yours sincerely,

*Asst. Lect. Zhala Abdulqader*

*College of Islamic Sciences*
